

AROUND THE WORLD IN 80 WAYS

Phileas the Frog is thinking about the ways we will travel in the future. Can you help?

Draw us a picture of an ingenious form of transport for the future! One thing you need to make sure is that your design is kind to the planet as well as being fun and fast! You can design anything at all as long as you keep it environmentally friendly. Get those creative wheels turning!

THINK ABOUT THE WAYS YOU TRAVEL
THINK ABOUT GEOGRAPHY AND HOW THEY TRAVEL IN OTHER COUNTRIES

**THE BEST
DESIGNS WILL
BE FEATURED
IN OUR BIG
PICTURE ***

* A final artwork will be made from entries and presented as a gift to each school taking part!

AROUND THE WORLD IN 80 WAYS:

We at Travel Choices want to encourage pupils to think about sustainable and healthy travel. What better way than for pupils to design their own mode of green transport.

Taking part in *Around the World in 80 Ways* (*The Big picture*):

We ask for all artworks to be completed and sent to/collected by us **before the 27th March 2015**. Any year groups can take part, we need as many pictures as possible so the more the merrier. If possible please send us electronic copies of all entries. If this is not possible please contact me and I will arrange for the pictures to be collected.

Please use paper no bigger than A4 and do not stick on any lumpy decorations. Each pupil should have their name and age in the bottom right hand corner of the picture. We stress that schools send us electronic copies of the entered artwork as it will help when creating our Big Picture.

We would also like to ask each school to select up to 5 winners. We need to be notified of each winner and they will then be presented with a Travel Choices goodie bag.

One overall winner will be selected by Travel Choices and used as an important part of our Big Picture.

THE BIG PICTURE PROJECT:

Travel Choices will create the Big Picture artwork from every picture we receive for ***Around the World in 80 Ways***. We will present this artwork as a gift to each school that takes part in the project. Our hope is to then use the Big Picture artwork to create a community sculpture to be placed in the centre of Dunstable. Every pupil taking part has the chance to have their artwork featured on this piece of public art, so we need as many entries as possible to turn it into a really spectacular design!

If you are interested in taking part **please contact Sophie Gresswell** at The Travel Choices Hub, 1 Aston Square. Dunstable LU6 3SN.
Phone: 01582 813018 or email: sophie.gresswell@sustrans.org.uk

Thank you ☺
